

FROM THE HOUSE OF EXPERTS
April 16 - 22, 2010 **Intelligent Pune**

Aditya Birla Memorial Hospital in association with Health Records Association of India (HERAI), held the '10th annual national conference, Medrecon 2010', in Pune. It is a futuristic platform for professionals in the field of medical records, hospital administration, information technology and legal affairs. More than 250 delegates from all over the country were present at the conference.
